1. Title of the certificate ^(bg)

Удостоверение за професионално обучение по Програмиране с Java за напреднали, по част от Професия Програмист, специалност Програмно осигуряване

⁽¹⁾ In the original language

2. Translated title of the certificate ^(en)

Certificate of Vocational Training on Java Advanced, part of profession Programmer, speciality Programming

⁽¹⁾ If applicable. This translation has no legal status.

3. Profile of skills and competences

A typical holder of the certificate is able to:

- Work with two-dimensional data technologies
- Create linear technologies from data
- Apply basic algorithms
- Implement functional programming
- Work with data streams, files and directories
- Create template classes

4. Range of occupations accessible to the holder of the certificate ⁽¹⁾

N/A

⁽¹⁾ If applicable

^(*) Explanatory note

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.
